

8,00 - 8,45 **Registration**

9,00 - 9,15 **Opening of the BIM Conference**

1. Session: Current report on the state of implementation of BIM in Slovakia

9,15 - 9,25 Ing. arch. Michal Pasiar, BIM association Slovakia, Slovakia
Current report on the state of implementation of BIM in Slovakia

9,25 - 9,50 Ing. arch. Martin Stohl, HB Reavis, Slovakia
Benefits and experience of using BIM from a perspective of the investor

9,50 - 10,15 Ing. Ján Žilka, Ing.arch. Milan Nemec, Rado Vlkovič, ŠTOR CAD, s.r.o., Slovakia
Implementation Building Information Modeling in AEC and Tools to achieve rapid return on investment

10,15 - 10,40 Jitka Kochová, CONSTRUSOFT, s.r.o.
BIM utilization in Design, Fabrication and Assembly of Building Constructions

10,40 - 11,00 Coffee Break

11,00 - 11,25 Ing. Erik Hrnčiar, HESCON, Slovakia
Practical experience of using multiple BIM softwares in the design of industrial buildings (Volkswagen, Bratislava)

11,25 - 11,50 Ing. Martin Uličný, TECHNICO OPAVA s.r.o., Czech republic
BIM in design office

11,50 - 12,15 Michal Hronský, Guardian Glass S.A., Czech republic
Guardian's Tools for building information modeling

12,15 - 12,45 **Panel Discussion**

12,45 - 13,45 Lunch Break

2. Session: Practice in the use of BIM technology abroad

13,45 - 14,00 Ing. Tomáš Funtík, PhD., BIM association Slovakia, Slovakia
Status of implementation and standardization of BIM in the world

14,00 - 14,25 Hrvoje Petrovic, STRABAG Zentral Technik BIM/5D, Rakúsko
Practical experience with Building Information Modeling in construction industry

14,25 - 14,50 Matthias Uhl, MD of Die Werkbank GmbH, Germany
Isover Saint-Gobain Multi-Comfort BIM-Object Library as Information database for Architects and Planners

14,50 - 15,15 Dipl. Ing. Peter Kompolschek, BIM assn. Austria, Austria
Requirements for Level 2 and Level 3 in the context of the new Austrian BIM standards

15,15 - 15,30 Coffee Break

15,30 - 15,55 Ing. Martin Černý, PhD., CZ BIM, BIM Academy UK, Czech republic
NBS BIM Toolkit application in public procurement

15,55 - 16,20 Patric Günther, SCHUECO, Germany
Building Information Modeling in the field of special constructions

16,20 - 16,45 Rob Jackson, BOND BRYAN ARCHITECTS / CAD EXPERT, United Kingdom
The experience with Building Information Modeling in United Kingdom in large development projects

16,45 End of BIM Conference
